## A Blockbuster Wireless Auction

By THE EDITORIAL BOARD

As frequencies become more valuable, the government should make sure spectrum is used efficiently.

EDITORIAL OBSERVER

## Ground Wars End, and So Does a Chapter in Military-Press Relationships

By ERNESTO LONDOÑO

Embedding reporters with soldiers was fraught with risk, ethical dilemmas and a fair share of drama.

ROOM FOR DEBATE

## Finding a Secretary of Defense

If Chuck Hagel isn't the right Pentagon chief to respond to an onslaught of global crises, who is?

OPINIONATOR | THE STONE

## Evolution and the American Myth of the Individual

By JOHN EDWARD TERRELL

The sanctification of the idea of the individual embraced by libertarians and the Tea Party ignores our evolved human nature as social animals.

JULIA BAIRD

## The Great White Shark's Image Problem

Feared, hunted and mostly disinterested in humans, these creatures deserve to thrive.

EDITORIAL

## The Taliban's Reign of Terror

By THE EDITORIAL BOARD  
Militants in Pakistan continue to cripple the government's struggle against polio.
